===== [ SECTION COMPLETED BY DPS STAFF ] =====

**DPS Staff Acceptance/Certification:**

<b>Date</b>	
<b>DPS Staff Contact (name, title, phone number &amp; email address)</b>	

---

## BASIC INSTRUCTIONS

1. The applicant Utility should complete the first page of the application.
2. If the applicant Utility plans to utilize an EDI Service Provider (EDISP) and the EDISP plans to certify the Utility's Phase I and II capability, the EDISP should fill out the Established EDI Service Provider (EDISP) Certification section on the second page.
3. When the EDISP is satisfied that the applicant Utility is Phase I and II capable, either a result of testing or the EDISP's certification, it should complete the EDISP Certification section on the second page and provide the completed Utility Phase I and II Testing Application to DPS Staff.

## NOTES

The Phase I and II Testing Rules and a list of Established EDI Service providers are available from the New York EDI website.
