Virtual Public Statement Hearings Set Regarding Offshore Wind Transmission Line

ALBANY — The New York State Public Service Commission (Commission) will hold two virtual public statement hearings on **Thursday, March 9, 2023**, regarding Empire Offshore Wind LLC's (Empire) plans to construct, operate, and maintain the New York portion of the transmission facilities required to interconnect Empire's proposed Empire Wind 2 offshore wind farm, to be located within the Bureau of Ocean Energy Management-designated area to a point of interconnection at the Barrett 138-kilovolt (kV) substation located in the Town of Hempstead, Nassau County.

The New York project includes several components: three three-core 230-kV high-voltage alternating current (HVAC) submarine export cables located within an approximately 7.7-nautical mile (nm) submarine export cable corridor from the boundary of New York State waters offshore to the cable landfall; a cable landfall in the City of Long Beach; three 230-kV onshore export cable circuits, each with three single-core HVAC onshore export cables within an approximately 1.5-mile-long onshore export cable corridor from the cable landfall to the onshore substation; an onshore substation in the Village of Island Park, within the Town of Hempstead, which will step up the voltage to 345-kV for the onshore interconnection cables; and, up to three 345-kV interconnection cable circuits, each with three single-core HVAC interconnection cables within an approximately 1.7-mile-long interconnection cable corridor from the onshore substation to the point of interconnection.

Under New York State Law, the Commission may adopt or reject Empire's proposal, in whole or part, or modify it. In doing so, the Commission will consider input from the participating parties and the general public. Administrative Law Judges (ALJs) are presiding over the gathering of public comments and all evidence related to the NY project. As indicated in the February 10, 2023 Notice, public statement hearings will be held to obtain comments from the public concerning Empire's proposal.
