Re: Case 25-M-0249 – In the Matter of the 2026-2030 Low- to Moderate-Income Energy Efficiency and Building Electrification Portfolio.

Dear Secretary Phillips:

Department of Public Service Staff (Staff) hosted a virtual stakeholder forum on May 6, 2026, on the Low- and Moderate-Income Energy Efficiency and Building Electrification (LMI EE/BE) portfolio. Over 190 attendees participated in the forum where Staff and Program Administrators from NYSERDA, Con Edison, and National Grid provided an update on the performance of programs in the LMI EE/BE portfolio and facilitated discussions of challenges, opportunities, and emerging issues.

Enclosed for filing to Case 25-M-0249 are the presentation slides used during the forum and a summary of the stakeholder discussions. A recording of the forum is available via the link below:

Additional information is also available at dps.ny.gov/lmi-eebe where we invite stakeholders to visit regularly for information on past and upcoming forums, resources, and important links. Questions or comments regarding this meeting can be directed to Equity@dps.ny.gov.

Sincerely,

/s/ Christopher Coll
